Dear Parent(s),

We're so excited that you have a student enrolled in band class! At King's Music, it is our passion to help beginning musicians make music! That is why, for over 23 years, we have been making renting a band instrument as **easy as possible for parents like you!**

Here's how we do it!

Simple Online Pre-Registration

At **kingsmusic.ca**, you can rent an instrument from start to finish from the comfort of your own home. **We'll deliver it to your student's school!**

Flexible **Payment Plans**

We offer **monthly* and yearly plans** that can be paid automatically either by credit card or from a bank account(in-store only w/VOID Cheque).
*The first three months are paid upfront on all monthly contracts

New & Used Instruments

Whatever your budget, we have an instrument for you!
Our in-house repair shop ensures every instrument is ready to play!
(Used instruments are available on a first-come-first-serve basis)

Rent-to-Own

No one rents forever! Most instruments are paid off in 3 years unless they're returned. In which case no penalties apply! (*first 3 months are non-refundable)

Buy-Back Policy for Purchases

Get back the price you paid less the monthly rental you would have paid (plus damage costs) when returning a purchased instrument.

Optional **Maintenance Coverage**

An extra monthly amount so you only pay $25+tax for repair claims & 15% of the balance owing on lost/stolen instruments.

Ready to get started?

First things first ... **has the student chosen an instrument?** If not, check out our **"Intro to Band"** video at **kingsmusic.ca** to find the right fit!

Once you know what instrument you want

click the ***Rent a Band Instrument*** banner on our homepage and follow the intructions from there!

If you have any questions or would like to set up a contract in-store instead of online, please feel free to stop by or call your nearest King's Music.
