- Grade 7's typically have 2 teams playing at a time; need at least 12 players
- \*\*Note that there is one **optional** Friday slot on the regular schedule. Please communicate with the opposition if you want to play this game.
- Standings are not recorded but we normally keep score – coaches communicate before game.
- Coaches decide on 2 games to 25 and switch, or 3 games to 15 and switch; try to be done by 4pm
- 5 successful serves = rotate; Can play triple ball if coaches from both schools agree.
- Regular grade 8 volleyball rules apply. We try to encourage students to serve from serving lines but often allow one or two steps over due to small gyms. Coaches, if there are concerns, please discuss before the game starts.
- Students who play in the competitive tourney shouldn't play in the developmental tourney; should bring at least 10 players to each tournament.
