

Parent Request for Student Placement 2019-2020

Thank you for taking an active interest in your child’s education. Our goal is for each student to be successful in every classroom. Regarding student placement at Fraser Middle School, at the beginning of the year students will be placed in a “pod” (usually up to 60 students with 2 teachers). Classroom groupings will be decided by teachers once they get to know the students in September. Throughout the year it is common for class groupings to change within the pod. In selecting the pod placements and classroom groupings, administrators and teachers must consider many factors, including Ministry requirements regarding class size and composition. While student placement is ultimately the responsibility of the school principal (*School Regulation 5.7.b*), we welcome input from teachers and parents during this process.

To request a specific placement for your child, please return this form to the office by **Friday, June 7, 2019**

*All requests will be considered, but are not guaranteed.

Student Name: _____ Parent Name: _____

Current School: _____ Next Year’s School: _____

Current Grade: _____ Next Year’s Grade: _____

Requested Placement: _____
