

Week 1 After School 2:25-3:25 in The Landing (C122)

FALL 2018

Monday

Chess / Checkers

Let's Learn or Play Chess or Checkers. Good times for the Beginner to the Expert.

Tuesday

Bike Ride / Maintenance

- Check Schedule for ride or shop
- Develop your skills in bike riding, maintenance and safety.
- Bike skill development, and maintenance (at the school), riding at Ledgeview.

Wednesday

Snack Attack

Craving a delicious Snack? Create tasty treats that we can EAT.

Thursday

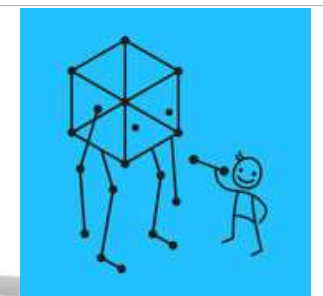

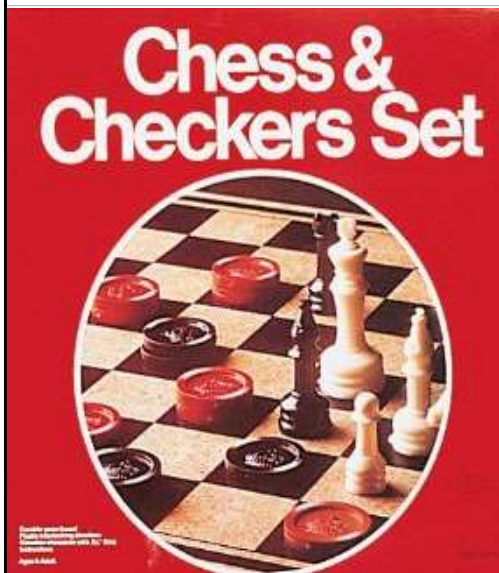

Bike Ride / Maintenance

- Check Schedule for ride or shop
- Develop your skills in bike riding, maintenance and safety.
- Bike skill development, and maintenance (at the school), riding at Ledgeview.

Friday

STEM Creatables

Come check out, and join in creating with Strawbees and Sphero. Lets see what we can do with some technology both connected and disconnected.

Week 2 After School 2:25-3:25 in The Landing (C122)

FALL 2018

Monday

Build/Construct

Use various items to work as a team and complete cool constructing challenges. Whose creation is the Strongest? Tallest? Neatest? Think outside the box. Maybe create a new box? Have some fun and be creative!

Tuesday

Bike Ride / Maintenance

- Check Schedule for ride or shop
- Develop your skills in bike riding, maintenance and safety.
- Bike skill development, and maintenance (at the school), riding at Ledgeview.

Wednesday

STEM Creatables

Come check out, and join in creating with Strawbees and Sphero. Lets see what we can do with some technology both connected and disconnected.

Thursday

Bike Ride / Maintenance

- Check Schedule for ride or shop
- Develop your skills in bike riding, maintenance and safety.
- Bike skill development, and maintenance (at the school), riding at Ledgeview.

Friday

Art for Charity

Let's make some amazing items and raise some money. We will be sculpting, painting and creating. It's fun being creative, let's share and give back to others. Create. Beautify. Sell. Share.
