Dear Parent(s),

We're so excited that you have a student enrolled in band class! At King's Music, it is our passion to help beginning musicians make music! That is why, for over 26 years, we have been making renting a band instrument as **easy as possible for parents like you!**

Here's how we do it!

**Simple Online
Registration**

At kingsmusic.ca, you can rent an instrument from start to finish from the comfort of your own home. **We'll deliver it to your student's school!**

**Flexible
Payment Plans**

We offer **monthly* and yearly plans** that can be paid automatically either by credit card or from a bank account (in-store only w/VOID Cheque).

**The first three months are paid upfront on all monthly contracts*

**New & Used
Instruments**

Whatever your budget, we have an instrument for you!

Our in-house repair shop ensures every instrument is ready to play!

(Used instruments are available on a first-come-first-serve basis)

Rent-to-Own

No one rents forever! Most instruments are paid off in 3 years unless they're returned. In which case no penalties apply! (**first 3 months are non-refundable*)

**Buy-Back Policy
for Purchases**

Get back the price you paid less the monthly rental you would have paid (plus damage costs) when returning a purchased instrument.

**Optional
Maintenance Coverage**

An extra monthly amount so you only pay \$25+tax for repair claims & 15% of the balance owing on lost/stolen instruments.

Ready to get started?

First things first ... **has the student chosen an instrument?** If not, check out our **"Intro to Band"** video at kingsmusic.ca to find the right fit!

Once you know what instrument you want

click the **Rent a Band Instrument** banner on our homepage and follow the instructions from there!

If you have any questions or would like to set up a contract in-store instead of online, please feel free to stop by or call your nearest King's Music.
