Young Adult Selection Check-out Permission

The Library Learning Commons at Fraser Middle is a space meant to create life-long learners with a goal of promoting literacy. To achieve this goal, we provide our students with an extensive collection of books to choose from. The books in our collection range from Juvenile to Young Adult reading levels, all selected for the Middle School reader.

Some of our collection are identified with a Young Adult (YA) sticker that is a visual prompt for the Librarian and students that only those in grade 8 can check these books out. The books with the YA sticker include themes that are more complex and mature but still intended for a Middle School reader.

If you want your Fraser Student to have access to all the books in the Library Collection and you and your child will determine what is appropriate, please complete the permission slip below and return it to school.

Thank you
